The more you play the game of soccer, the better you will become and the more you will enjoy it. At All American Indoor Sports we can help you become a better player.

Our house team program will give players who are not currently part of a team, the chance to play games on a regular basis. Also, it is an ideal opportunity for existing team players to play an extra game each week and improve their shooting, passing, control, dribbling and tackling.

**NOTE: All players must register to play by turning in a color photo, player registration form, signed waiver, proof of age and a \$15.74 + tax player registration fee (expires October 1, 2012).**
