ALL AMERICAN INDOOR SPORTS

Referees Wanted:

If you want to get some exercise, think you know the laws of the indoor soccer game and want to make some extra cash, you should consider refereeing indoor soccer leagues.

Referee requirements: We require that you take our “Laws of the Game” test and score a 90% or better, shadow a referee for six to eight games to become familiar with our systems, score boards and leagues and complete a US Indoor Soccer certification clinic, which is held at our Lenexa facility. The US Indoor certification fee is \$60.00.

Referees must have: Two different colored referee jerseys, black referee shorts, black referee socks, black athletic, non-cleated shoes, Fox 40 whistle and a red, yellow & blue card.

You choose your own schedule: Referees sign up online for shifts that fit their schedule, days and times. We have leagues seven days a week and hundreds of games available.

If you think you would do a good job & enjoy refereeing indoor soccer leagues, inquire today!

*Please contact Jason Cummins; referee coordinator.
